SUCCESS STORIES

Kim Sing
HR Manager

I highly recommend ASIE Personnel for all your recruitment needs. They are very thorough, I also liked that they met with me personally to find out about my company's culture and requirements. They hit the nail on the head each time I gave them a job spec, they provide the very best candidates and do so within only a few days. ASIE Personnel is now my number one agency when seeking talented individuals urgently.

Annalene Mariah
HR Manager

I have not met a more passionate, detail orientated individual. Asenath keeps abreast of the latest trends and has her finger on the pulse in terms of what is key to the market at hand. Thank you for all your assistance.

Our Directors were impressed with the candidates sent through for the interviews. Both candidates were of top standard and exactly what we were looking for. We have dealt with many agencies before and this agency was by far the most professional and the response time was excellent. Thank you for your assistance.

Jannie van Niekerk
Financial Director

Centralization & Restructuring of entire finance department – Recruitment of 6 roles:
Well done and thanks for the quality of candidates presented.
